## Graduation - Once in a lifetime

Saturday, May 24, 1986 was a "Once In A Lifetime" experience for the forty-one members of F.G. Miller High School's Class of '86, as they took part in their

Graduation ceremonies.

Streamers and flowers in rainbow hues turned the utilitarian simplicity of the high school gym into a beautiful setting for the occasion. Families and friends packed the room to bursting point as the appointed hour approached.

To the measured strains of "Love Theme" from "St. Elmo's Fire", the graduands entered the back of the gymnasium and proceeded up the aisle to the stage, camera flashes punctuating their every step. When all were onstage, camera-taking visitors clustered to take group shots.

Brenda Anderson opened the afternoon's proceedings by asking God's blessing on the group in her invocation.

Principal Bob Tredger spoke to the graduands from the audience, telling them that they were "following in the footsteps" of many other graduates, including himself, their older brothers and sisters, and their parents. "You have a tradition to uphold ... and I am confident you will ably carry it on", he told the Class of '86.

Tredger brought greetings from the graduands' ECS teacher, Myrna Fox, and noted that this group had been one of the first ECS classes established in Alberta.

Valedictorian Glenna Grykuliak called graduation an ongoing process which "begins when you are born, and ends when you die" and includes learning, growth and achievement. She lauded the contribution of parents and families who have provided a "rock-solid foundation ... to hang on to", the teachers who not only recorded academic achievements but gauged development and "taught us to let go ... and become our own selves", and friends who are sympathetic, supportive and giving: "we need never do anything alone". She also praised the community for their support, saying "success is nothing if it is not acknowledged".

To all, Miss Grykuliak offered "this day ... as a gift for you ... our success is a reflection of your success." She urged her fellow graduands to "never stop living

life to the fullest".

Musical guests Gail Farewell, Diane Anderson, Lois Sheplawy, Kim, Debbie and Jean Edwards, accompanied by Elizabeth Didow on piano, entertained with the first of two selections, "Over The River". They later sang "I've Done My Best Today".

Superintendent of Schools Cledwyn Haydn-Jones and School Board Vice Chairman John Zenko then took their places on

stage to present each member of the graduating class with a Students Union Pin and a commemorative scroll.

Dr. K.C. Miller made his traditional visit to the ceremony, and presented Students Union Appreciation Pins to President Lane Lorensen, Vice President Jackie Garriock, Secretary Angel Ference, Treasurer Wanda Ference, Social Convener Rox-

### Grads meet challenge

The graduating class of both F.G. Miller High School and Frog Lake High School met the Safe Grad Challenge with flying colors, reports Elk Point RCMP Sergeant Jim Fell. No members of either school's graduating class were found to be driving while impaired or riding with impaired drivers during their specified 24-hour periods.

Heinsburg High takes up the challenge on June 6, and Sgt. Fell is confident that they, too, will be successful. Congratulations, Grads!

### Venue change too late

A last minute change of venue for the Public Utility Board hearing into increased rates for Elk Point Gas Ltd., has left Elk Point Mayor Ed Buck and his Council "rather disappointed".

Council had asked some time ago that the hearing be held in Elk Point rather than St. Paul, but had been told that the change could not be made. Council subsequently moved to discontinue

their planned intervention, because the hearing would not be held here. The Town has intervened in several past PUB hearings on gas rate increases, on behalf of the town residents.

The change in location to Elk Point was announced late last week, "too late" for Council to change their mind and prepare for an intervention, Mayor Buck said.

anne Gascon, Sports Conveners Craig Campbell and Joleey Jenner, Committee Convenor Jackie Gulayec, and Yearbook staff members Marguerite Bosvik, Glenna Grykuliak, Deni Cameron, Lorelei Wickham, Michelle Whitlock, Carla Vinge and Advisor Lawrence Pidluzny.

Graduation Class Co-Presidents Anna Fedorus and Malcolm Palamarek extended thanks to all who had been involved in planning and producing the graduation ceremonies. They were presented with gifts by Carmen Gulayec on behalf of their classmates.

Guest speaker was Donna Norman, who had taught Junior High Language Arts to the grads during her employment at F.G. Miller from 1980 to 1983. She reminisced about their attempts at matchmaking, the concealing of a bird in a drawerful of spelling tests and other exploits of this "talkative, lively group". She advised her former students to "keep setting goals, and accept that these goals will be different

than those set up to now".

Master of Ceremonies for the afternoon was Garrett Gregoraschuk, while Cynthia Adkins accompanied O Canada and God Save The Queen.

The group later reconvened at the Elks Hall for a fine banquet. Principal Bob Tredger acted as M.C. for this part of the day, and enlivened the proceedings with many interesting facts about the graduands, which include "one who wants to be Mark Messier" and a pair who indulge in Keystone Kops-style capers among others.

Colette Lafrance gave the pre-dinner blessing. Donna Gulayec toasted the Grads, saying "You've come a long way in the past thirteen years." Malcolm Palamarek replied to the toast. Kari Anderson toasted the parents, with Arla Garriock replying. Connie Ahern toasted the teachers, with Madeline Foley giving the reply.

Mayor Ed Buck brought greetings from the Town and congratulated the teachers on their courage. "What kind of courage

is needed to take a group of kids to Europe for two weeks?" he asked.

RCMP Sergeant Jim Fell congratulated the grads on their achievements and on their acceptance of the Safe Grad Challenge. Their designation of Ronald McDonald House as their chosen charity "shows responsibility and maturity".

Cledwyn Hadyn-Jones and John Zenko both offered congratulations, as did MLA John Drobot, who called graduation "the intermission between school and real life".

Former school secretary Margaret Modin was the evening's guest speaker. She quoted an old hymn, which says "Each life is exceptional and precious in the sight of God". The forty-one "special youngsters" have had experiences in sports and learned a variety of skills while at F.G. Miller, and have shown a "responsible attitude in the affairs of the school".

To "these people, to whom we will pass the torch of responsibility in a few years", she gave the advice, "live one day at a time, and live it so you have no regrets."

The festive day carried on with a gala graduation ball, and of course the revelry of the traditions, all-night grad party.

GRAD CLASS PRESIDENTS — Anna Fedorus and Malcolm Palamarek thanked teachers, parents, classmates and others for helping to make Graduation Day memorable.

## FGM win at Fort Mac

Three athletes from F.G. Miller High School brought home the gold from the Zone Track Meet held in Fort McMurray on Monday.

These three will go on to represent the Zone at the Regional Track Meet in Sherwood Park on Saturday.

Elk Point runners also made a good showing in the relay races. Murray Palamarek and Darwin Roscoe join-

ed with two St. Paul boys to take third place in the Junior Boys 4 x 100 Meter Relay, while Wanda Garriock, Michelle Shymkiw, Wendy Lorensen and Christine Wozniak placed third in the Junior Girls 4 x 100 Meter. Kevin Ference joined three St. Paul boys for third spot in the Intermediate Boys 4 x 100 Meter.

Wendy Lorensen brought home a third in the 400 Meter race, while Joanne Giguere placed third in the 100 Meter Sprint and Wanda Garriock placed third in High Jump.

Also representing Elk Point at the Zone meet were Brian Ference, Diane Pelletier and Steven Schaaap.

## Swim lessons shelved

For the first time in nearly thirty years, the Lake Whitney Lakefront swim program will not operate this summer. The sponsor of the program, the Elk Point and District Red Cross, are concerned about liabilities of operating the program. Since they are unable to obtain proper insurance coverage this season, it was moved to shelve the program.

Parents are encouraged to continue their family swim programs by enrolling at local pools. Presently St. Paul pool is enrolling for sessions June 30 to July 11 and July 14 to July 25.

In the meantime, the Red Cross group will be looking for alternate avenues for continuance of the program in the future.

## Chamber reviews bridge opening

Elk Point Chamber of Commerce reviewed the plans for the June 8 opening of Elk Point Bridge, which is being hosted by the Chamber, at their regular meeting last Wednesday.

Recent additions to the plans include bus transportation from the Elks Hall to the bridge site, beginning at 12:00 noon that day, with parking available at the Elks Hall. The Elks van will also be on hand to transport those who wish to leave before the completion of the afternoon's events, back to Elk Point.

Commemorative hats have been ordered for resale, and volunteers found to sell these. Volunteers are still needed to take charge of the barbecue and refreshment serving committees, and the Chamber's nominating committee will be on the lookout for likely individuals.

If the weather should prove uncooperative, permission has been ob-

tained to hold the entertainment and opening ceremonies in the Elks Hall, although it is sincerely hoped this will not be necessary.

Additional grant funding may be available to help fund the event, through Travel Alberta, Bridge Opening Committee spokesperson Marie Buck told the Chamber.

Chamber President Murray Harper commended the Bridge Committee for their endless hours of work preparing for the Official Opening.

Mrs. Buck has also just completed a lengthy weeding-out of the boxes housing the Chamber's records from its inception in 1945 until 1980, and has found numerous items of interest, including a series of aerial photos of the town taken in 1980, gold panning certificates, and 45 RPM recordings of the national anthem. The O Canada records will be turned over to the Canada Day Committee. Anyone hav-

ing additional Chamber of Commerce material which they would like to have added to the archives may deposit it at the FCSS office. The Town of Elk Point has offered the Chamber the use of a file cabinet to store their records and other items.

A review of membership fees is to be undertaken, as several owner-operated businesses without additional staff had felt the \$25 fee for businesses with one to four employees was too high.

The Chamber is considering a pamphlet to be distributed through the Tourist Information Centre, Provincial Park office and local businesses. The pamphlet would contain a map of Elk Point with the location of businesses indicated, and showing the location of points of interest in the area. Advertisements would be sold to the local businesses to help fund the project.

Three applications have been received to date for the position of Information Clerk at the Tourist Booth, with the closing date for applications set at May 30. Management of the booth will also be decided upon in the near future, as Tourism Committee Chairman Ron Barwick has verbally tendered his resignation.

## Paving plans finalized

Elk Point Town Council studied cost estimates for curbs, gutters and paving on two adjoining blocks at Monday's regular meeting, and voted to approve the expenditure for curbs and gutters on 51 Street from 50 to 49 Avenue and on 49 Avenue from 51 to 52 Street.

It was determined that paving of a normal width street area on the 49 Avenue block would cost only slightly over half the estimated amount for a very wide street with angle parking on its north side, and Council voted to follow this plan, subsequently developing a parking lot on the west side of the curling rink to accommodate those using that facility.

The funds not required for the additional paving will be used to install curbs and gutters on 51 St., north of the arena to the KenArt subdivision. Council decided to advertise for a local improvement debenture to recoup some of the costs of the additional curbs and gutters.

Tenders for supply of two thousand yards of gravel were opened by Council under the direction of Deputy Mayor Schuhmacher, and a tender price of \$4.90 per yard submitted by JMB Crushing Systems was accepted. Five hundred yards will be delivered to the Public Works yard immediately, with the rest held until required for various projects.

Tenders for the removal of stockpiled topsoil were also opened, and J. Oryschuk Trucking was awarded the tender for disposal of the pile on the PanCanadian site to a site of the bidder's choosing at the rate of \$1.98 per yard.

Council appropriated \$300 for municipal beautification, with this sum to be spent on planting flowers.

Progress payments on the water treatment plant were discussed, and Structural Progress Payment #4, Mechanical and Electrical Payment #1, and a bill for pipe purchased from Scepter Manufacturing were approved for payment. One of two invoices for engineering fees was also approved for payment, while the other was sent to committee for their study, with the committee authorized to pay this account if approved.

More Council news next week.

Thanks for the memories

Graduation is a time rampant with memories, and thanks to the mature and responsible behavior of the Class of '86, it has been a day which all in attendance can look back on with happiness.

The lovely young ladies and handsome young men all looked their best, if a trifle unfamiliar, and none of them tripped on the stage stairs, or fainted on their long march through the crowd.

None of the speakers forgot their lines, the piano was in tune, and the master of ceremonies was suave and personable. The decorations stayed in place, (well, all but the one flower, and it missed Mr. Zenko!) The banquet was delicious, and the weather man cooperated.

The graduands went through their paces with class and composure, even though there must have been many knees shaking and a few tears hidden. The camera-shy ones stood up well to the nonstop clicking of the shutters, and the class cutups restrained themselves admirably.

Best of all, the entire group met the Safe Grad challenge, in spite of their natural urge to celebrate this great occasion to the fullest.

You're great kids, and the community is very proud of you. Good luck to you all in your future endeavors.

ELK POINT CANALS? — There is almost nothing nice one can say about the streets in Elk Point and the roads leading into the town, but they do have moments of beauty, as this evening reflections encountered on the street leading north up towards the schools. It was quickly drained, and returned to its normal rough and lumpy surface. But surely it would have caught the eye of a pair of passing ducks, looking for a nesting site? And - don't kids wade anymore???

Get fit

Don't look now, but it's National Physical Activity Week. If you hadn't noticed that fact until now, you have already missed out on five of the nine days in which Canadians are encouraged to put on their sneakers, get up, get out and get active.

Last year, more than nine million Canadians of all ages took part in ten thousand events across the country in honor of the annual event, and some, they tell us, found out that they were having such fun that they haven't stopped yet!

This year's theme is "If The Shoe Fits...", and people all across Canada are urged to "put their best foot forward and participate." Last Friday was National Sneaker Day. Did you wear yours? If not, dig them out of the closet and put them on. See how light and springy your feet feel? Does that give you the urge to walk, to hop, to jump, to maybe even break into a trot? Good!

Remember last year, when all the students at F.G. Miller High School tied themselves into a massive caterpillar and marched around the school as part of MOGA Madness? Remember the senior citizens being urged to keep track of how many blocks they walked during that week, in an effort to add up all those blocks until the distance equalled the distance to the moon, in the Elderobic Moonwalk?

Those kinds of activities, and many more, are being carried on this week all across the country. Are you taking part, or are you still one of the charter members of the Shapeless Inactive of Canada? Yes, we know, inertia has set in, and it is much easier not to participate. How about just a little walk, say to the corner and back? Aww, c'mon!

There are four whole days left -- let's all take part, and enjoy a fitter lifestyle.

Dewberry News Roundup

**By Cliff Cunningham**  
Dewberry Correspondent

I don't have much news to write about this week as there have not been many things going on except two days of snow and some rain that put a stop to putting in gardens and field work for the farmers.

The missionary ladies held a spring rally at the greenlawn hall May 13th. I never heard how it turned out.

The chuckwagon races are starting again with the one at Dewberry on June 14th and 15th. The first one at Kehewin was postponed as the track was too wet on May 17 and 18th.

Donald Vivian celebrated his 75th birthday at Riverton Hall on Sunday May 18th with a large crowd turning out to wish him many more happy birthdays.

Our Drop In Centre is just about dead as there were only eight turned out on Saturday evening and just the odd one through the week.

The lawns in town are nice and green now. I have mowed mine twice so far. I hear a couple of gardens were up when they got covered up with snow. We only had one row of potatoes planted.

Happy Birthday to all that have a birthday in May.

More Dewberry and district history: June 1919 - picnic to be held June 14th. Proceeds to buy baseball uniforms. Tring district association picnic held in July.

August — Motion to support U.F.A. political association one dollar per member as requested. Mrs. Irwin's report of political associaton meeting held in Calgary.

1920 — 89 members including women signed up by February 7th. Sam Irwin, President; E. Hodgson, Vice-President; W. Porter, Secretary. Discussion on running farm candidates in next election on U.F.A. ticket.

July 14th — Picnic proceeds \$395.60, expenses \$363.15. John Smith wins membership drive for most U.F.A. members signed up. Twenty-five 1 oz. bottles of strychnine ordered from U.G.G. Secretary to write Bawy Grain Company Local Agent, Mr. J. Carey asking them if they could keep grain elevator open for at least one week in July to buy grain.

Sept. - Oct. 25th — Prohibition election to be held.

March 5th, 1921 — Opinion of local that average farmhand be paid at rate of \$40.00 per month. Formalin to be sold at \$0.35 per lb. while supply lasts. Secretary to write Ellsworth, Riverton, Welsdale, and Rusylvia locals concerning purchase and joint use of moving picture machine. Strychnine sells at \$1.00 per oz. packet; 10,000 lbs. of twine ordered from U.G.G.

1922 — More rural telephone lines now in use. Effort to get more women to attend meetings. Aubrey Dennill new member for 1923.

1923 — Farmers canvass district to form a beef ring. James Robson teacher at Dewberry north school gave a talk — an interesting address on "Where are we Heading For".

## Senior High track & field winners go to Zones

On May 20, 1986, the Senior High County Track Meet was held in St. Paul Regional High School. Schools participating were St. Paul, Ashmont, Mallaig and Elk Point.

The participants from our school were excellent representors and we would like to congratulate all of them. Special recognition should go to the students from our school who will be going on to zones on Monday, May 26, 1986 in Fort McMurray. These outstanding athletes are Wanda Gariock for the 100 meter run, hurdles and along with Michelle Shymkiw, Chris Wozniak, and Wendy Lorenson, these four formed a record breaking 4 x 100 metre relay team. Darwin

Roscoe will be taking part in the 100 metre run, 4 x 100 metre relay, and 200 metre run (Darwin also made a new County record in the 200 metre run). Murry Palamarek will also be taking part in the 4 x 100 metre relay team. Kevin Ference and Brian Ference are both going to throw the javelin in Fort Mac. and Kevin also made a new County record!

Joanne Giguere will be running in the 100 metre and 200 metre races. Steven Schaap and Brian Ference will both be throwing the shotput and Diane Pelletier is going to throw the javelin and discus. Good luck to all of those students and once again CONGRATULATIONS.

RHONDA PINDER

## Junior Citizen nominee

One of the students at F.G. Miller Jr./Sr. High School has been nominated for the Alberta Junior Citizenship of the Year Award. This outstanding student is Rhonda Pinder.

Every year, many special young Albertans show initiative, hard work, and concern for others around them by reaching out to do things not normally expected of people their own age.

The Alberta Junior Citizen Award was established in 1961 and is sponsored by TransAlta Utilities and Alberta Power Limited. Thanks to these sponsors, young Albertans can now be noticed and rewarded for their wonderful citizenship.

Rhonda has definitely shown all of the above characteristics of a Junior Citizen Award nominee and we wish her luck in the competition.

## Room for improvement essay contest subject

The library of the F.G. Miller Jr./Sr. High school held an essay contest entitled "Ways to Improve Your School" to influence more involvement in the library. The contest was open to both Junior and Senior High students.

Winners of the contest were Bradley Anderson and Heather Poitras. Brad's suggestions were:

1. All the students should be treated equally.
2. Students should be given more responsibility.
3. Improve the physical appearance of the school by painting the school and planting trees in the grounds.

4. Students should treat each other with more respect and stop abusing each other physically in the hallways.

Heather's suggestions were:

1. Promote school spirit by having more dress up days, activity days.
2. More respect for each other and the school. We should treat it like our home and take pride in it.
3. Should try to decrease vandalism.
4. Install a games room.

In another contest which required participants to read a Wildlife Novel from the library and then create a poster related to this novel, Lori Aarbo won first.

## Meet Miss Susan Kotowich

Miss Kotowich came to our school as a student teacher for Mr. Hellquist, but is now a substitute teacher for the County of St. Paul. She attended the University of Alberta for four years, majoring in math, and minoring in English. Miss Kotowich graduated from the University of Alberta in April 1986, so she is fresh off the grill!! She is currently living with her parents, just outside of St. Paul and enjoys helping on her father's farm. Miss Kotowich also likes working here, in Elk Point, and the students would hate to see her go!

Besides going to school, Susan enjoyed working for the Fish and Wildlife Association in St. Paul for two summers. She is also a strong member in the 4-H Club in St. Paul, as she has been a member for six years. Miss Kotowich enjoys horseback riding and reading, she is also looking forward to a lazy summer!!

We wish you the best of luck in your future, Susan, and thanks for being great!!

## Students go camping

The grade 8 Outdoor Ed class went to Whitney Lake for a winter camp experience. They went on March 1st and 2nd.

They skied, fished camped over and had snowball fights. The supervisors were Mr. Martin and Mrs. Poulin. On April 26 and 27 the grade nine class went on a trail ride at Lotie Lake. They rode the horses for three hours and then set up camp. There were five people who had a marvellous time with Mr. Martin.

On May ninth, tenth and eleventh the grade 7 Outdoor Ed class went on a canoeing trip to Wolf Lake. The supervisors were Mr. Martin, Danny Poveschuk, Sharon Voltour, Pat Johnson, and the Heathcote family. They all had a great time!!

# F. G. Miller's Lakeland Lovelies

The Miss Lakeland contest began approximately two months ago. It is a contest for the girls between the ages of 14 and 21 living in the Lakeland area. The girls thus far have taken part in various activities, all of which have proved to be interesting and ex-

citing. On April 18 they all took part in a fashion show held at the Fine Arts Theatre in St. Paul. A second fashion show took place May 20, this time a swim suit show at the pool. An exhibition ball game took place, radio interviews were performed, and a fun-

draiser car wash for the Handicap Association was also held. Public speaking and a talent show are activities that are yet to come.

Judging is based on the girls' personalities, essay writing, public speaking, ability to handle public

relations, and over all attitude. Final judging will be held on Saturday, May 31 at the Exhibit in St. Paul.

The four girls taking part from Elk Point are: Michelle Whitlock, Christie Boulter, Connie Ahern, and Kathy Mistol. Good luck girls!

# Drummer reaches eighty

By Irene Magnusson

The May dance put on by the Pioneer Circle in Elk Point was a fitting occasion to publicly mark the birthday of a lively local old-timer, drummer Harry Jenner. To his obvious surprise, Mr. Jenner was presented with a beautifully decorated cake, in the form of a giant 80, as the gathering suddenly burst into the time-honored "Happy Birthday!" song. Before he realized he was the honored 'birthday boy' his drumsticks commenced to rattle

away along with the rest of the orchestra.

For 52 years Harry has kept time, in bands playing for dances, or for his own or friends and family's pleasure, on the same set of drums. His beat has lost none of its bounce. Accompanying Doreen Youngmans' accordion, along with banjo pickers Chester Botting and Walter Saranchuk, and vocals and guitar input of Albin Nelson this popular group had toes tapping and heels clicking at the Pioneer Circle monthly dance.

Mable Dumont read a humorous poem, wherein life begins at eighty,

and we no longer have to make apologies - we can use our built-in excuse, "I'm eighty, you know." It doesn't appear that Mr. Jenner would need to use that excuse very often.

A good crowd turned out for the dance, which was regrettably announced as the last of the season. There were dancers from St. Paul, Tulliby Lake, Heinsburg and Lindbergh and, of course, Elk Point, and a few from the Heritage Lodge came in. Many were friends of Mr. Jenner, who has made the Heinsburg area his home for most of his life. Congratulations, and we look forward to hearing those drums rattle next fall.

STILL DRUMMING UP A STORM — Harry Jenner, eighty years young, has been playing for dances for over fifty years.

# Red Cross Zone hears reports

By Irene Magnusson

The Elk Point and District Red Cross Zone meeting convened May 22nd, in the Lindbergh Curling Rink club room, at 7:30 p.m., with around twenty members present. Zone Chairman Margaret Modin opened the meeting with minutes, read by Secretary Iryne Buck, of the November 13th (Annual) meeting.

A written report on last year's Water Safety program (which was formerly under Red Cross sponsorship) by Marj Carter, was read in her absence by Iryne Buck. She reported there had been 3 instructors, a total of 246 participants, and that all had proceeded smoothly. The program was at Whitney Lake last year, as it has been for many years.

Treasurer Niki Riemer reported having turned in total proceeds for the 1986 canvassing campaign on May 16th, sending it along to Calgary headquarters. The canvas yielded slightly less than the amount collected last year. Riemer said she had purchased a stamp to endorse the cheques, making her work easier.

The Lindbergh Red Cross Branch reported. Mrs. Vera Fakely said the group has made a total of 60 items, for sale by Red Cross Crafts. The

breakdown is: 2 afghans, 3 cushions, 2 nightingales, 5 three-piece baby sets, 2 prs. ladies' slippers, 9 prs. childrens' slippers, 10 prs. childrens' mitts, 5 vests, 5 hoods, 3 headbands, 2 toques and 2 quilts. Truly an outstanding output from such a small-in-number group.

Elk Point Branch, reported by Violet McFadyen, have made a total of 8 quilts, 1 lap robe, 1 afghan and 1 baby quilt. In addition they held a Tea, Bake Sale and Bazaar on April 29, which netted a total of \$355.42, these proceeds going to Red Cross Creations. The Elk Point Branch has 16 paid-up members. These hand-made quilts are used by Red Cross for distribution to unfortunate persons who suffer fire loss or other disasters, here in Alberta.

Dora Scott, delegate from Lindbergh, and Lena Stepa, delegate from Elk Point, reported on their impressions of the Annual Red Cross Convention which they attended in Calgary on behalf of the members. This was the 72nd Annual Red Cross Convention.

The Red Cross, in an effort to trim fat, had reduced the number of Board Members from 56 to 35; there were reports on the IYY (International

Year of Youth); the Red Cross has been doing a lot of foreign relief work - the need for assistance is great. Officials had urged people to do more volunteer work, rather than paid work. A speaker at the Convention stated that many potential blood donors had been lost, due to fear of A.I.D.S., an unfortunate fear.

Last but not least, Mrs. Scott won a door prize, a baby quilt.

It was also reported that Mr. Gil Gilmet, for many years involved with the Water Safety program, and more recently in charge of Financial Resources, has retired, with full honors and appreciation of his years of work done. His expertise will be available for consultations for another year. Mr. Gilmet will be missed from the Red Cross Alberta and N.W.T. staff.

Next year's Convention will again be in Calgary.

A report on the Water Safety program at Whitney Lake, of concern to the Zone, was brought by Laverne Wilson, who has long been in charge of this effort. His findings will be covered in a separate report.

Campaign Chairman for the Zone, Violet McFadyen, gave a detailed account, by Districts, on the 1986 canvass. Fifty-nine canvassers volunteered their time and miles to approach as many prospective donors as possible. McFadyen expressed her thanks and appreciation for the co-operation and dedication shown by the canvassers.

Some canvassers were slow in reporting in, probably with good cause; however, this does prolong the work of the Chairman and her Captains, who this year were: Laverne Wilson for Heinsburg and area, Betty Lou Vankosky for Lindbergh and area, Lawrence Modin, who assisted with Elk Point rural, and Margaret Modin, who helped as required. McFadyen, on behalf of Red Cross, offered thanks and appreciation to the districts for contributions received, as follows: Elk Point town and area - \$4168.61; Lindbergh & area - \$761.00; Heinsburg & area - \$592.95; Clondonald - \$171.00; Dewberry - \$123.00; Landonville - \$805.00; Tullibly Lake - \$192.00; and Derwent - \$132.00; for a grand total of \$6945.56.

Last year's total was somewhat greater than this, but circumstances are considerably different in the area. It was agreed by all that the canvass had been a success, that the area people have risen, as before, to the call and recognize the great needs

of their fellowman. It was a job well done.

The meeting closed, followed by a lovely lunch served by the Lindbergh ladies. There was time to admire the many articles created, and displayed, by the Lindbergh Branch.

## Elk Point crop report

May 15/86

The estimate current soil moisture  
conditions for summerfallow and  
stubble are good. The estimate pro-  
spects under current moisture condi-  
tions for summerfallow and stubble  
are good.

The estimate condition of fall seed-  
ed crops for Winter Wheat and Fall  
Rye are good.

The estimate percentage of seeding  
now completed is 10% for Hard Red  
Spring Wheat, 1% for Barley and 0%  
for Canola.

The estimate total acreage of each  
crop to what was planted last spring  
is 100% for Hard Red Spring Wheat,  
95% for HY320, 95% for Oats, 105% for  
Barley, 100% for Canola, and 100%  
for Summerfallow.

The estimate total acreage of each  
crop that was planted in the fall com-  
pared to the last year's planting and  
estimate percentage of the planted  
crop that has survived is 0% planted  
of Winter Wheat and 95% planted of  
Fall Rye.

Combining is completed and  
seeding was in full swing. With the  
snow of May 14 & 15, all farming  
operations have come to a grinding  
halt, and it will probably be at least a  
week before farming operations can  
resume. The late calves will probably  
be affected by the cold damp  
weather.

May 23/86

The estimate current soil moisture  
conditions for summerfallow and  
stubble are good. The estimate  
growth prospects under current  
moisture conditions for summer-  
fallow and stubble are good.

The estimate condition of fall seed-  
ed crops of Fall Rye are good.

The estimate percentage of seeding  
now completed is 30% for Hard Red  
Spring Wheat, 0% for Oats, 10% for  
Barley and 5% for Canola.

The estimate total acreage of each  
crop compared to what was planted  
last spring is 100% for Hard Red Spr-  
ing Wheat, 95% for HY320, 95% for  
Oats, 105% for Barley, 100% for  
Canola and 100% for Summerfallow.

The estimate total acreage of each  
crop that was planted in the fall com-  
pared to the last year's planting and  
estimate percentage of the planted  
crop that has survived is 0% planted  
for Winter Wheat and 95% planted for  
Fall Rye.

Early in the past week seeding has  
resumed for approx. 2 days. Recent  
rains have brought all seeding to a  
halt again. Due to the moisture many  
farmers may decide against putting  
wheat if the soil doesn't dry up soon.  
Some canola and barley has also been  
seeded, but the completed acreage is  
very small at this time.

CLANDONALD JUNIOR HIGH GRADUATES — Osinchuk. Front row: Heather Attfield, Carla Back row: Rick Rybchinsky, Tracy Lawrence, Janice McNamara, Jennifer Kurash, Cheryl Nowosad, DeFord, Greg Thronson, Elaine Bardeel, Roger Shauna Botting. Missing: Andy Pearl.

# Clandonald News

By Shirley Osinchuk  
Clandonald Correspondent

The Clandonald Junior Prom was held on Friday, May 23.

The Grade 9 students and their immediate families, including grandparents enjoyed a potluck supper.

After the tables were cleared away, and chairs set up, the "Exercises" began at 8 p.m. Many other friends came for the rest of the evening.

Mrs. Parke, the principal, introduced the students with comments on each one. Andy Pearl was at his brother's graduation in Red Deer, so could not be present. Mrs. Parke included Greg Thronson in the introduction. Greg went to Clandonald School from Grade 1 to 8 and now lives in Vermilion. The students introduced, most of whom have been in Clandonald School since Grade 1, are: Rick Rybchinsky, Tracy Lawrence, Janice DeFord, Elaine Bardeel, Roger Osinchuk, Heather Attfield, Carla McNamara, Jennifer Kurash, Cheryl Nowosad, Shauna Botting.

The Grade 9 students read their class history, beginning in Grade 1, and going year by year to Grade 9.

The "Roving Reporter" wandered

the halls again this year and interviewed teachers and parents. Answers to the questions were all bits of songs from popular music, making very funny answers. The "Roving Reporter" signed off to the Great Root Bear theme.

Mrs. DeFord and Mr. Houston presented certificates to the Grade 9 students. The students in turn, presented a gift to Mr. Houston and flowers to Mrs. Parke and Mrs. DeFord.

Mrs. Parke closed with a few words to the Grade 9 class. She expressed her faith in them, and urged them to "trade old loyalties for new", and to make new friends and become involved in their new school. Then the old, but always true adage, that a job worth doing, is worth doing well.

Music for the dance was supplied by Dennis Rewuski. Congratulations and best wishes in your chosen high schools to all the Grade 9 class.

Regular meetings to note: Mon., June 2, Agricultural Society; Tues., June 3, Seed Cleaning Plant Directors meeting; Tues., June 3, C.W.L.; Wed, June 4, Knights of Columbus.

The Clandonald 4-H Beef Club Achievement Day is Sunday, June 8 at 1 p.m. at the skating arena.

## Sorry, Henry

Our apologies to Henry Thomson of Heinsburg School, whose name was inadvertently omitted from the list of Grade 8 participants in the County Public Speaking Showcase held in Elk Point.

## Out our way

By Mildred Dunham  
Ferguson Flats Correspondent

The last couple of weeks were quite hectic around the community with last minute preparations for graduation. I was quite pleased to have Ernie & Ethel Lewis from Wainwright and Andy & Robin Lambert from Bonnyville come to see my son, Trevor, graduate. Judging from the crowd, I am sure there were others that travelled some distance and made a great effort to be there. As for myself, my thanks goes out to all our friends and neighbors that helped make the day a pleasant one. Even the animals were co-operative as Trevor's heifer presented him with a spunky calf that morning.

I am sure there were many visitors to the community the last while but I haven't had time to ask around. Charlie McNamee from Edmonton came out to Neil Nelson's this weekend, also Pat Heffernann came to visit her mother who is spending a little time in Elk Point hospital. I

hear Carl Nelson is now back at Elk Point hospital.

My sons Trevor & Stacy along with myself spent a long day at Bonnyville auction mart last week to prepare for an upcoming sale there. We had the "pleasure" of unloading two B&R truckloads of furniture and equipment. There are still two more trucks to unload and the boys claim their backs are sore already. This sale takes place on Sat., May 31st at 11 a.m.

There will be a Rural Crime Watch & Range Patrol meeting on Friday, May 30th at 8 p.m. at the old courthouse. This meeting will be held for the purpose of finding out if the members are still interested in keeping this organization going. If only a handful of people show up it will be good-bye to a worthwhile cause. On the other hand, if enough interest is shown, we will try to revive it by changing the name to Elk Point and District Rural Crime Watch and by electing new directors and executive. Voice your opinion. BE THERE!!
